# SHOP. DONATE. VOLUNTEER.

## There's a new way to support Chaplaincy Hospice Care—Repeat Boutique.

Whether you choose to shop, donate or volunteer at Repeat Boutique, your time will benefit patients and families cared for in the hospice house and in our in-home hospice program.

The idea for Repeat Boutique, or a hospice thrift store, isn't new, in fact, there are hundreds of them across the nation. Gary Castillo, executive director of Chaplaincy Health Care explains how the idea for Repeat Boutique came to be. "Very often we have families who have items they'd like to donate after a loved-one passes and for the longest time we just couldn't take them. We've talked about a thrift store but nobody on staff knew how to run one. Then Greta Dority came along. She was hired as our Volunteer Services Supervisor in 2015 and had previously run a thrift store. It wasn't long before she was asking why we didn't have one. We started talking about it, a great location became available, and things just started falling into place."

"Chaplaincy Repeat Boutique will be a tremendous opportunity for our volunteers to help support

*"When families lose someone, they often don't know what to do with their possessions. Now they can donate them to us and help support our hospice services."*

Hospice in a new and fun way. When families lose someone, they often don't know what to do with their

possessions. Now they can donate them to us and help support our hospice services," explains Greta.

Repeat Boutique will feature gently used clothing and accessories for men, women and children; household items, furniture, home décor and more. In addition, a bridal boutique featuring new wedding gowns and dresses donated by The Purple Parasol, will be available by appointment.

Volunteers will staff the store and Greta will provide oversight of the overall operations. There are future plans to use the space for arts and craft classes and even special events.

Gary Castillo, executive director of Chaplaincy Health Care, and Greta Dority, Repeat Boutique manager, stand outside the store's future location in Downtown Kennewick.

The store is located at 22 West Kennewick Avenue in Downtown Kennewick near Washington Hardware. A grand opening and ribbon cutting is planned for Friday, March 31, 2017, at 11:30 a.m. Shopping hours will be Monday–Saturday, 10:00 a.m.–6:00 p.m. Beginning April 1, donations will be accepted Monday–Saturday, 11:30 a.m.–5:30 p.m.

Stay tuned for more announcements, including the store's Facebook page and website where you can get a first look at the newest merchandise to hit the sales floor. 🌱

### HeART of Healing A Benefit for Cork's Place

Thursday, April 27, 2017 | 6:00-9:00 pm | Anthology Event Center, Richland

*"Healing is an art. It takes time, it takes practice. It takes love." - Maza Dohta*

HeART of Healing is a new benefit for Cork's Place, our local grief support program for children, teenagers, and families. Cork's Place helps youth in our community who are experiencing loss. We provide a safe place where families receive support from trained compassionate facilitators while connecting with others who are grieving.

Art can be a powerful tool when finding the right words to express deep feelings is impossible. Our HeART of Healing event will feature original artwork created by local grieving children and teenagers. Guests will enjoy the exhibit, a silent auction, wine, appetizers, and a moving program.

Proceeds from HeART of Healing will go to our "Cork's Cares Fund" providing the services of Cork's Place for free to those in our community. Tickets are \$50 per person. For more information or to purchase tickets, please go to the event calendar on our website ([chaplaincyhealthcare.org/events](http://chaplaincyhealthcare.org/events)) or call us at (509) 783-7416. 🌱
